The Honorable Jean Stothert
Omaha City Council
1819 Farnam Street
Omaha, Nebraska 68183

Dear Councilwoman Stothert:

On behalf of the Greater Omaha Chamber, I am expressing our support for the resolution you and Councilmen Gernandt and Mulligan have offered that would reinforce Omaha's image as the best place to live and work.

Omaha is certainly a welcoming and inclusive place; but we do need to constantly reinforce that—from government leadership to individual employers and associations.

The Greater Omaha Chamber of Commerce believes that citizens and business leaders should oppose discrimination of any kind; we must continue Omaha's development as an open and inclusive community for all people.

The Chamber is committed to work with businesses and community organizations to promote respect and eliminate discrimination.

Regards,

David G. Brown
President and CEO
